The Chairman of the Board of Health, John Pizzichemi, has announced plans for a re-cycling program as a start toward eliminating the present open-face dump and changing over to a sanitary landfill operation.

Mr. Pizzichemi said that townspeople will be requested to leave newspapers at a designated area where they will be collected for re-use. Later on other items, such as bottles, will also be collected at a transfer station for re-cycling.

Admission to the present dump will be by sticker only. Each local family will receive a sticker, and all disposal operations will be carefully supervised so that only residents are admitted.

Mr. Pizzichemi has also announced that a number of contacts have been made regarding weed control measures for Lake Garfield and Lake Buel, including Mr. George Hamilton, Director of the Environmental Program at Berkshire Community College.

Mr. Dean Amidon, Chairman of the Review of the Protective By-Laws Committee, stated that his committee will recommend three revisions in the Town By-Laws when they meet with the Planning Board. These recommendations are as follows:

1. Provision for two Associate Members on the Board of Appeals. At present the granting of zoning variances or special permits requires affirmative votes by four of the five Board members; if one is absent, a unanimous vote is necessary and may be difficult to obtain. An Associate Member would serve as the fifth member of the Board if a regular member was absent.
2. Some reference in the Zoning By-Law to multiple-family dwellings.
3. Definition of the permission for use of summer camps in the Zoning By-Law. At present they can operate only through a special permit.

If the Planning Board accepts these recommendations, they would be voted on at a Town Meeting. A two-thirds affirmative vote is required for passage of By-Law revisions.

The three Selectmen are additional members of this committee.

The members of the reorganized Town Hall Committee are: Dean Amidon, Chairman; Albert Phoenix, Paul Thorn, Raymond Tryon, and Edith Wilson. The Board of Selectmen has instructed the committee to have a new proposal for a town hall and community center to present to voters at the 1972 Annual Town Meeting.

#### 85 ATTEND TOWN OF MONTEREY DINNER

A very successful social hour and dinner for the officials of the Town of Monterey was attended by 85 persons on Monday, April 12, at the Mountain View Restaurant in Great Barrington. Over two-thirds of the Town officers and committee members turned out for this occasion. The Reverend Virgil Brallier, of the Monterey United Church of Christ, gave the Invocation, and the Reverend Francis X. Sullivan, of Our Lady of the Hills Church, Monterey, gave the Benediction. Robert Gauthier, Chairman of the Board of Selectmen, welcomed the group and asked for comments and suggestions to improve the next get-together so that there may be maximum opportunity for communication between officers and committee members working in related areas. This first dinner meeting met with much favor. It is planned to have another less formal meeting, possibly in the fall.

(continued on page 2)

Three officials present who are not residents of Monterey were Leo LaFontana, our Veteran's Relief Agent, from the District Department of Veterans' Services; Robert Donelan, our Town Counsel; and Douglas Adamson, the new Southern Berkshire Regional Superintendant.

Mrs. John Seifert, Secretary to the Board of Selectmen, called the roll of elected and appointed officers, 52 of whom were present. Since many of these are new in office, there were few reports of problems to be shared at this time. The Conservation Commission expects to meet the 1972 deadline for completion of the Lake Garfield Dam Project. The Park Commission will again have their "Fair Day" in July.

Selectman Kenneth Heath asked for help on his committee to plan the 125th Anniversary of Monterey next year. The following volunteered: Dean Amidon, Osborne Dugan, Ted Falcon, Mrs. Robert Gauthier, Mrs. Jack MacIver, William Mielke, Mrs. Beatrice Phillips, and Mrs. John Pizzichemi.

A new American flag was displayed for the occasion. It was presented last year to Selectmen Chairman Howard Wells by Mrs. Seifert in appreciation of the tremendous work done by the Selectmen and for use in the new office.

#### CONSERVATION COMMISSION

The Conservation Commission is now holding its weekly meetings in the basement of the library. The meetings begin at 7:30 P.M. but the days of the week may vary for the convenience of members. Anyone planning to come should check with Mr. Phoenix for the date beforehand. The best way to keep informed of progress on the Garfield Dam Project is to attend one of these open meetings.

Some residents of Monterey have felt it might be helpful to reprint a portion of the Statutes of the Massachusetts Conservation Act pertaining to the function of the Conservation Commission. The following is an excerpt from these Statutes:

"Such commission shall conduct researches into its local land areas and shall seek to coordinate the activities of unofficial bodies organized for similar purposes, and may advertise, prepare, print and distribute books, maps, charts, plans and pamphlets which in its judgment it deems necessary for its work. It shall keep an index of all open areas within the city or town, as the case may be, with the plan of obtaining information pertinent to proper utilization of such open areas, including lands owned by the Commonwealth or lands owned by a city or town. It shall keep an index of all open marsh lands, swamps and all other wet lands in a like manner, and may recommend to the city council or selectmen and, subject to the approval of the city council or selectmen, to the department of natural resources and to the state reclamation board, a program for the better promotion, development or utilization of such areas."

#### CONTRACT SIGNED FOR REVALUATION OF MONTEREY

Sheldon Fenn, Chairman of the Board of Assessors, reported last month that a contract for the revaluation of property in the Town of Monterey had been signed with Whipple, Magane, Darcy, Inc., of Andover, Massachusetts. This work is already in progress.

#### DOG LICENSES

Suzanne MacIver, Town Clerk, now has dog licenses available. The new 1971 rates are as follows: males and spayed females---\$3.00; unsplayed females---\$6.00. Call Mrs. MacIver, 528-1258, evenings or week-ends, to make arrangements for acquiring your dog license. Please have all Monterey dogs licensed this year!

#### WALTER PARKS APPOINTED POSTMASTER

We are very happy to announce to our readers that Walter Parks, who has been Acting Postmaster of Monterey since November, 1969, has now been officially appointed Postmaster by the United States Postal Service.

#### A WORD TO OUR READERS

We have had an uncomfortably high incidence of people not receiving copies of the NEWS. This month we are making a special effort to address copies correctly and to ensure that only and all interested people are on the mailing list. Please let us know of anyone you know interested in the paper who is not receiving a copy. If you no longer wish to receive the paper, please write "REFUSED--RETURN TO SENDER" beneath your address and mail it back to us. Many of you have expressed your appreciation for the paper which encourages us very much. We would also value your criticisms and suggestions as we work to publish a newspaper faithfully representing Monterey with its diversity of people, activities, concerns, and special interests. In addition, we would welcome more creative writing. 140 of the 520 persons on our mailing list have sent contributions to the NEWS. We continue to be grateful for these. Further financial support will enable us to purchase equipment to improve the printing of the paper. Acknowledgements of contributions received since the last issue are on page 8. Thanks again to all of you.

The Editors

Department of Police  
Monterey, Massachusetts

Dear Folks:

I feel a letter to you is in order, to tell of the improvements in your police services since your almost unanimous appropriation for a full-time chief at the February 13 Town Meeting.

Since the meeting the town has been patrolled every day and on regularly scheduled periodic nights. Unoccupied homes are being inspected and traffic duty in front of churches will be resumed.

Town police files have been gone through and brought into workable order for reference. A new telephone system with a code-a-phone answering service has been installed, replacing the blue network. The new phone is a private line at my home and office. It is capable of answering your call if I am not in, telling you where I am. If it is not an emergency it can take your message which I can play back and answer when I have returned. In case of emergency when I am out on call or investigation I am in constant communication with the State Police and can be reached by them. This system makes me available to you at all times of day and night. The telephone number is still the same, 528-3211.

The police office is open to you at all times and I hope you can find time to come and chat, tell me what you think should be done to improve the police services in Monterey or just come in and look it over. This office and utilities are contributed to the town by me and it is in part of my home on Beartown Mountain Road just north of Tyringham Road Intersection.

Our roads, especially the heavily travelled Route 23, were in very bad condition this winter causing numerous mishaps and some accidents, creating hazards and requiring time spent on traffic control and assistance. I would like to ask our skiing residents to come prepared with winter tires and shovel when they venture away from city dry roads to our snow-covered ones.

By increasing our patrolling we are putting an additional strain on our 1964 cruiser, which already has many ailments. I doubt very much that this faithful bucket of bolts can last through the year, so I have looked up the possibility of procuring a one-year-old, reconditioned, State Police trade-in. I find we can get one for under \$2,000.00. The town's expenses are high and with the Garfield Dam and Town Hall to worry about in the near future I feel we should try to raise the money other than by taxes. We have had good luck raising equipment funds in the past with our Police Picnic, so I plan to have one this year on Saturday, July 31. You can expect to be contacted by a ticket seller. In the meantime, we are looking for contributions, large ones or small ones, so write your check today to MONTEREY POLICE FUND and mail it to Monterey Police Department, Monterey, Mass. 01245. The money will be used to purchase a cruiser and transfer and update the equipment from your old cruiser to the new one.

I wish to thank the many residents for informing me of suspicious activities and other information that should be brought to my attention. I am especially interested in keeping the drug problem out of the town of Monterey, so please don't hesitate to pass on to me anything you hear or see pertaining to drug abuse. Any information you might give me could be very valuable and will be kept in strict confidence.

I intend to continue to give you the best police services I am capable of and hope they answer your needs.

Sincerely,  
Thaddeus H. Falcon, Chief

P.S. Please don't forget the check to MONTEREY POLICE FUND.

## TWO POEMS

Tuning into universe,  
Walking through outer space  
Goes Blind Man,  
Guided into vision  
By kisses of communication  
Between air and plant and sun,  
He knows  
There's a whole lot of falling to be done  
As the footprints made in moon dust  
Lead directly into midnight,  
Through the midnight's falling snow.

Assembled energy spans the sea.  
What a mighty water Man is walking over!  
Proud brain cuts through air,  
What a mighty battle is a man moving  
Through the air on his suspended wisdom,  
Toward the naked face of his other self.

## CONFORMITY OR DIVERSITY

It was not much more than ten years ago -- but it seems a long way back when the great lament heard throughout the land was over the frightening tendency toward conformity, seen especially in our college youth. The fear was that we were in danger of becoming a nation populated by persons like "The Man in the Gray Flannel Suit". Conformity was a thing to be dreaded. It was seen as the enemy of the creative and innovative in man. What has happened to our worries of ten years ago? Who is it today that is distressed about our apathetic and uninvolved college youth?

Today the worry runs in quite another direction. The fear, often expressed, is that there is such strong diversity and so many non-conforming styles of living that there may not be enough glue to hold human society together. This anxiety over different life styles runs all the way from alarm at the length of men's hair to deploring the attitude of those persons, both young and old, who are withdrawing from the ordinarily held civic and corporate expectations of our society. There is something to be said for having an opportunity to change our worries to the opposite swing of the pendulum. But we don't seem to be doing anything more creative with this particular concern than we did with the one of ten years ago.

What about this emergence of vastly different life styles in our time? The first thing it says to me is that there is a powerful force in man tending to correct his course. There was reason to be concerned over the easy acquiescence to the American success image of ten years ago. Continued, it would surely have produced a sterility and deadness that would have made our society intolerable.

What turned this around? I am certainly not aware of any master plan on the part of any one person or group to call the changes. Rather, it was the events of the past decade, and a changing human consciousness, that brought about the swing of the pendulum. The corporate body of man seems to have a way of responding to imbalance, just as the individual does.

What are we going to do with the varied life styles that are arising in our day? It would be a shame if we didn't let ourselves learn from them a deep respect for life. We have known before that men are capable of richly varied patterns in their lives. But today we are not accustomed to such diversified life styles existing side by side -- on the same street, in the same town.

Institutions feel threatened when unfamiliar patterns emerge. A classic example of this is what happened in the Medieval Church with the growth of a strong movement toward mysticism. This produced many individual ways of expressing the Christian religion. The Church was jittery over what was happening. It tried to discount or suppress it. When it was unable to do this, it tried to organize and standardize the various outward expressions of Christianity. All efforts failed. It really was not possible to take anything so individual and institutionalize it.

Suppose the Church had been successful in suppressing mysticism? We now know that we would have been infinitely poorer as a result. So much richness would have been lost to the life of faith.

One approach to the non-conformity and diversity that is coming to the fore today is to take the attitude that the whole family of man has a splendid opportunity to become enriched. My neighbor who will not buy my life style may in the end have a profound role in making me a more fully human person. That is, unless I freeze my heart against him and refuse to hear what he is saying about what it means to be a man.

Virgil V. Brallier, minister  
Monterey United Church of Christ

"I am weary of polemics, exclusivities, and fanaticisms. To you I can come without dressing in a uniform, without having to submit to the recitation of a Koran, without renouncing any part of my own inner country. I need not make excuses, I need not plead, I need not prove; I find peace. Beyond my clumsy words, my rationalizations which so often betray me, you consider in me simply the Man. You honor in me the ambassador of beliefs, customs and loyalties which are not your own. If I differ from you, far from offending you, I enhance you. You question me as one questions the traveller.

"I, who feel, as do we all, the need of recognition, feel pure in you and I go to you. I need to go where I am pure. It is not my outward ways which have informed you who and what I am. It is the acceptance of what I am that has made you, when necessary, indulgent toward these outward ways. I am grateful to you for accepting me exactly as I am. What can I do with a friend who judges me? If I welcome at my table a friend who is lame, I beg him to sit down, not to dance."

Antoine de St. Exupéry

## LADIES AID SOCIETY

The next meeting will be April 29 in the church social room. Mrs. Clarence Kinne will be the hostess. Stella Howes

## OPEN HOUSE AT GOULD FARM

On Saturday, May 15, everyone is invited to visit Gould Farm between the hours of 2:00 P.M. and 5:00 P.M. There will be guided tours of the barn, the cottages, the weaving studio, and craft shop. The story of the Farm will be told, illustrated with slides, by the Reverend Hampton Price, Executive Director. Tea will be served, followed by a short musical program, led by Mrs. Jockwig.

Rose McKee,  
chairman

## PHILERGIANs

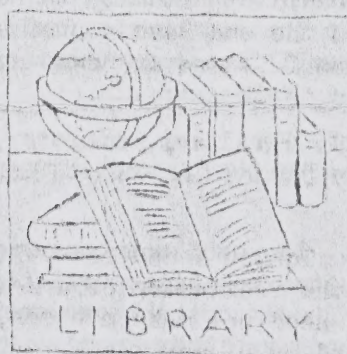

Due to bad weather and the difficulty of finding a convenient night, we have not met during the past few months. We are planning a meeting for Thursday, May 20, at 8:00 P.M. at the parsonage. Please circle that date now and plan to come. The Scholarship Committee will give a report and there are several things that we need to act upon. We are going to have our belated program on "Good Samaritans". All women in the community are cordially invited.

Marie Brallier

## SPRING CLOTHING DRIVE

The annual Spring Clothing Drive ended April 21 with 300 lbs. of clothing and \$26.50 to pay for blankets collected for Church World Service. The Ladies Aid has offered to pay the cost of transporting the clothing. The collection was much larger than usual (221 lbs. last April and 183 lbs. in October), and we are grateful to all those who contributed clothing, money, and time to the drive.

Chaquet, Virginia, "The Gold in the Glass"  
Christie, Agatha, "Passenger to Frankfurt"  
Goudge, Elizabeth, "The Child from the Sea"  
Heyer, Georgette, "Charity Girl"  
Hobson, Laura Z., "The Tenth Month"  
Lofts, Norah, "Lovers All Untrue"  
Sarton, May, "Kinds of Love"  
Segal, Erich, "Love Story"  
Shaw, Irwin, "Rich Man, Poor Man"  
Uris, Leon, "Q B VII"  
Weidman, Jerome, "Fourth Street East"  
Young, Agatha, "The Hospital"

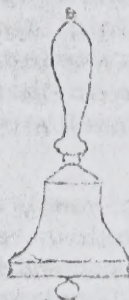

"I do not see why the very existence of an invisible world may not in part depend on the personal response which any one of us may make to the religious appeal. God himself, in short, may draw vital strength and increase of very being from our fidelity. If this life be not a real fight, in which something is eternally gained for the universe by success, it is no better than a game of private theatricals from which one may withdraw at will. But it feels like a real fight — as if there were something really wild in the universe which we, with all our idealities and faithfulnesses, are needed to redeem; and first of all to redeem our own hearts from atheisms and fears. . . Believe that life is worth living and your belief will help create the fact."

William James

## MONTEREY GRANGE

On April 7 we held an "Ad Night". Everyone wore a costume representing the advertisement for some product or acted out an ad. On April 21, 17 candidates, 10 of our own, 1 from Sheffield, 4 from Otis, and 2 from Sandisfield took the first and second degrees for admittance to the Grange. It was also our Inspection Night; the inspecting officer was Deputy Lawrence Lakock from Hinsdale. Eva Jespersen

## OUR SCHOOLS

The New Marlboro-Monterey card party was held on April 20 at the Hillside Restaurant in Hartsville. The profits of the evening came to a total of \$160 which will go toward the 4th grade field trip to Boston.

On April 26 there was a P.T.A. meeting at the Mill River School at 8:00 P.M.

to discuss the 4th Grade Testing Program and also the field trip to Boston.

On Tuesday, April 27, the P.T.A.'s of this area hold an Open House for our Superintendent of Schools, Douglas Adamson, at Mt. Everett High School. Mr. Adamson has been very anxious to get to know the parents and teachers of this area.

Margaret Vorck

## AVALON SCHOOL

The founder of Avalon School, Stanley Papo, died recently after a six-week illness. He was 62. Born in Yugoslavia, he came to this country in the 1930's and founded Avalon School in 1948. He sold the school to Mr. and Mrs. Amiel Segal last October but remained advisor to it until his death. He is survived by a son, three brothers, two sisters, and two grandchildren.

Seniors. Michael Bynack, Kathy Mielke, Karen Ryder, and Lois Ryder attended the Senior Heritage Day in Boston. They took a tour of the State House and heard a talk on "It's Your Environment" presented by the Department of Natural Resources. They also visited the House and Senate Galleries and, after lunch, the Museum of Science and the New England Aquarium.

Juniors. May 8 will be "4-H Day" and activities will take place at the Crosby High School in Pittsfield. 14 members of the "Lady Bugs" will model their clothing, made under the leadership of Mrs. Ryder.

Sewing. The "Zippy Zipper" Senior sewing class will have their fashion show on April 30 in Cheshire.

Lois Ryder

Horse Show. Mr. and Mrs. Kenneth Heath are planning a Horse Show on May 30 at Gould Farm. It will be open free of charge to residents of Monterey of all ages. There will be twelve classes. Anyone wishing further information should contact Kenneth or Gail Heath (528-0722).

Monterey Roadrunners. Last month the Roadrunners donated \$25 to the Camp Howe Building Fund from the profits of their St. Patrick's Day Supper.

Gail Heath

#### BOY SCOUTS

Troop 39's Card Party at Hillside Restaurant was a great success, netting about \$280 for new equipment. During spring vacation the troop made a trip to Abby Pond in Sandisfield and has been cleaning up the roadsides with Jay Amidon, Peter Brown, Scott Jervas, Jared Thomson in charge.

Douglas Lyman, Scout Master

#### BROWNIES

On March 29 the Monterey Brownie Troop went to the Hi-Fidelity Cable T.V. Station, Channel 2, in Great Barrington. Mr. Mooney explained the operation of the station and the limited local programming. He then turned on the cameras and, to the delight of all the girls, they were on the screen! Several mothers and relatives viewed the children, since Monterey does not have cable television. At the meeting before Easter the children made little baskets for their parents and enjoyed a small Easter party.

Elisabeth Pizzichemi

#### CUB SCOUTS

On April 2 Pack 51 of Monterey and Sandisfield held their monthly meeting in the church social room. The theme was "COW-BOYS AND INDIANS". We put on a skit called "How Hot Pants Got His Name." The Indians took a horse thief and tied him to the stake. If the fire went out, that would mean he was innocent. During the performance of an Indian dance his PANTS GOT HOT! Several awards were given out, including the following from Monterey: Darrell Lemmerman, Shawn Ryder, and Warren Thomson: Wolf Badges and 1 Gold and 1 Silver Arrow each; Remo Pizzichemi: 2 Silver Arrows; Kenneth Heath: 1 Silver Arrow; Steven Brown and William Litchfield: Bobcat Pins. Next month the pack meeting will be in Sandisfield, the theme: "VAUDEVILLE".

Remo Pizzichemi

#### GIRL SCOUTS

We sold 370 boxes of cookies at \$1 each and cleared \$32 for Troop 277.

Mary Thorn

#### EASTER EGG HUNT

The Annual Easter Egg Hunt was held on the lawn of the Library on Easter Sunday afternoon. Delmor Tryon was the Easter Bunny and did a fine job. About 40 children, ages 1-8, participated in the event.

The colored eggs were hidden around the lawn and first the children ages 5 and under hunted for their eggs in a specified area; ten minutes later the children 6 to 8 hunted for their eggs. Many of the eggs were marked with a cash amount, and two were designated as "Prize" eggs.

After all the eggs were found the children and adults gathered in the church social room to conduct serious business: they counted the cash amounts on the eggs, noted those who had found the "Prize" eggs, as well as who had found the most and the fewest.

Scott Ryder had found the Prize Egg in the younger group and received a prize donated by the Monterey Store. Jill Jenssen received a prize donated by the Roadside Store for finding the Prize Egg in the older group. Mark Brallier and Mark Candee received 1st and 2nd prizes for the most eggs in the younger group; Pam Gauthier and Shawn Ryder were 1st and 2nd in the older group. David Gauthier got a prize for the fewest eggs found by children 1-5 and Wendy Bynack for the fewest among the 6-8 year olds. These prizes were donated by the Park Commission. A total of 15 dozen eggs had been hidden, and all were found.

Punch and cookies were served in the social room and the Easter Bunny gave each child a small bag of candy. It is hard to tell who has a better time at these events, the children or the members of the Park Commission.

## LOCAL NEWS

The Reverend and Mrs. Virgil Brallier and daughters Sylvia and Donna are spending two weeks in Sarasota, Florida. They will return to Monterey in early May.

Michael Barrier has opened Mike's Body Shop on Route 23, next to the Roadside Store. This was formerly Gene's Garage.

Miss Cynthia Tryon is home from Hiram College in Ohio where she majored in biology. She will return there in June to receive her diploma. She has taken a position at the Berkshire Nursing Home.

Mr. and Mrs. James Denier returned to Lydenhurst, Long Island, on April 21 after a ten-day visit with Mrs. Denier's parents, Mr. and Mrs. Albert Phoenix.

Miss Laura Lowy, Gould Farm, gave a performance at the Children's Service of the Mittineague Congregational Church of West Springfield on April 9. She danced "Jesus Walked This Lonesome Valley" and sang "Love Can Share", the words and music of which she wrote herself.

## THE SCHOOLS OF MONTEREY

At the present time Center School in Monterey is the only one serving the village. But did you know that at one time there were ten schools?

It is difficult to pinpoint the exact location of all the schools, as several have been destroyed and a few have been converted into residences.

In 1883 when there were 111 pupils, schools could be found on Beartown Road near the Arial's home; at the Old Center, now the home of Mr. and Mrs. Donelan; at Morse's Corner at the present home of the Pearsons; at the present village school; Corashire School, Mr. and Mrs. Richard Tryon's cottage on the road to New Marlboro; on Blue Hill Road near the Warner's property at the top of Mt. Hunger and the Polliwog School.
